DeColores and Blessings to All:

"What an awesome God we serve!!!" So far this year we have seen God's plan for our Emmaus Community come together in Chrysalis #39, Men's Walk #102, and Women's Walk #103. All of the above were well attended, the Spirit was flowing freely, and many lives were changed. At the May Gathering we asked that you pray for R.E.C. #14 and boy did you ever pray. As you will see in Louie's article below, R.E.C. #14 was truly "AWESOME", and to those that were able to come in support of the Candle walk, we truly thank you.

As most of you know, we went a few years without having our traditional summertime Emmaus Picnic. Then last year, my Sister in Christ Colleen Bagley and her committee put together a new plan and once again we had a glorious day of fellowship and fun. We ate, swam, played horse shoes and volleyball, and then some of us ate again. Well folks, Ms Colleen has agreed to do it again this year, so mark your calendars for August 4th 2007. That's right, on August 4th we will gather at the Campground at approximately 5:00 pm ready for some serious eating, fun, and of course did I mention "eating". Thank you Colleen!!! As usual, the picnic will take the place of the August Board Meeting and Gathering, so remember, "No Gathering in August". More information will be forthcoming in June and July.

Please be in prayer for the fall walks: Men's Walk #104, Steve Cutter, Lay Director; Women's Walk #105, Judy Boone, Lay Director; and Chrysalis #40 with Eric Clemens and Jennifer Kirkpatrick, Lay Directors. Don't forget our next gathering on June 2nd, come worship with us and bring a friend. May God continue to bless you and yours is my prayer.

In Christ's Love,
Larry McKenzie

R.E.C. #14

With powerful talks, inspirational music, and armed with the Holy Spirit, the "Walk to Emmaus" experience was once again shared by our community May 18th-20th at Northpoint Training Center in Danville. Just as our traditional walks, R.E.C. #14 began with a diverse group that God transformed into a single worshipping body. As we left Sunday afternoon, the R.E.C. #14 team unanimously felt like thieves, being blessed as much or more than being a blessing. Now, with seeds planted and tools shared, the pilgrims are poised for continued Christian growth. For many of us, a highlight of the weekend was a phone call to the prison chaplain on Sunday afternoon from a former resident and R.E.C. participant on his way home from a church where he had led praise and worship that morning. It don't get much better than that. God is good!

Study: Giving our Minds to Christ

From www.upperroom.org

A mature Christian is an informed Christian -- informed about the mind and heart of God by knowing scripture. A Christian knows about the world and its needs and works toward gaining the best insights on how to alleviate the hurting world's agonies. Human beings rise above the animal world of simple instincts when they become knowledgeable and use that knowledge to help build God's kingdom. Study, like piety, can be approached in an intentional, systematic way, resulting in a deepening of your relationship with God and an empowering of your Christian discipleship.
